SKILLS

- ❖ **Technologies and Frameworks:** MERN Stack (MongoDB, Express.js, React.js, Node.js), HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, PHP, REST APIs.
- ❖ **Version Control:** Git & GitHub (Intermediate).
- ❖ **Programming Languages:** Java (Basic), Python (Basic).
- ❖ **Data Structures and Algorithms:** DSA with Java (Basic).

EDUCATION

- ❖ BCA (70%) | **Guru Nanak Khalsa College, Sultanpur Lodhi (GNDU, Amritsar) | 2024**

EXPERIENCE

- ❖ **Web Developer Intern | GK Almirah | Sep 2024**
 - Redesigned and optimized GK Almirah's website, hosted it live on Hostinger, and created its database, reducing code complexity for improved performance.

ACADEMIC PROJECTS

- ❖ **GitHub-Clone – MERN Stack**
 - A dynamic GitHub-inspired platform for effortless repository management and collaboration. It enables developers to create, manage, and interact with repositories seamlessly.
 - **Key Features:**
 - User authentication (sign-up, login, logout)
 - Personalized dashboard
 - Fetch starred & liked repositories
 - **Technologies Used:** MERN Stack (MongoDB, Express.js, React.js, Node.js).
- ❖ **Airbnb-Inspired Application – MERN Stack**
 - Built a full-stack app with features similar to Airbnb using MERN stack.
 - **Key Features:**
 - User sign-up, login, and authentication.
 - Manage personal lists and reviews.
 - Delete reviews and lists.
 - **Technologies Used:** HTML, CSS, Bootstrap, JavaScript, Node.js, MongoDB.
- ❖ **Zerodha Clone – MERN Stack**
 - Created an online stock brokerage platform for trading and investing in various financial assets.
 - **Key Features:**
 - User sign-up, login, and dashboard.
 - Buy and sell shares functionality.
 - **Technologies Used:** MERN Stack (MongoDB, Express.js, React.js, Node.js).
- ❖ **MeetHub – MERN Stack**
 - Developed a video conferencing platform inspired by Zoom using MERN stack technologies.
 - **Key Features:**
 - User sign-up, login, and dashboard.
 - Buy and sell shares functionality.
 - **Technologies Used:** MERN Stack (MongoDB, Express.js, React.js, Node.js).

ACHIEVEMENTS and Certifications

- Received a **Certificate of Appreciation** from GK Almirah
- MERN Stack Web Development Certification – **Apna College**
